Soccer Program “GOAL” opportunities for the 2024 season!

We are pleased to present opportunities for you to participate in the “GOAL” program to support Buckhorn High School Girls Soccer your 2019 Area Champions. We are offering both **multimedia advertising** and **fence sign ads** for sponsors that wish to contribute directly to our local high school sports program.

Multimedia Advertising Sponsors:

Buckhorn High School’s **soccer program** has three outlets for social media:

- BHS Girls Soccer Website <https://buckhorngirlssoccer.weebly.com/>
- BHS Girls Soccer Facebook <https://www.facebook.com/bhsgirlssoccer23>
- BHS Girls Soccer Instagram @ladybucks_soccer

We are offering three multimedia options:

1. **Website Advertisements** have an individual sponsor link under a sponsors tab on the website \$80.00 per year ending on May 31st each year. Your company is named each game as a program sponsor over the sound system.
2. Option #1 plus: **Monthly Sponsorship** recognition with JPEG advertisement on the BHS Girls Soccer social media page. \$140.00 per year, ads run during in season activities only.
3. Option #1 & 2 plus: **Game Sponsorship** mentioned by name as a valued sponsor on BHS Girls Soccer social media page for all home games \$200.00 per year, ads run during in season activities only.

Fence Sign Ads / Banners:

We are also offering **fence sign ads / banners** that will be displayed on our perimeter fence for an entire school year (within 45 days of ordering if the school year is already underway) ending May 25th. As a sponsor your advertisement (business or special interest) will receive a great deal of exposure at Buckhorn. Our soccer field and fence is located near the entrance from Winchester Road, it is also situated across from the car rider drop off / pick up and the back parking lot used by students and parents during all activities.

The fence banners are professionally prepared, high quality mesh signs measuring 4’x6’. Sponsors can use logos or custom advertisements for the display. The cost of a new sign is \$200.00. Renewal each year, thereafter, is only \$100, should you elect to continue with your advertisement and sponsorship.

Winning “Goal” Sponsor!

Winning Goal Sponsors can take advantage of the Multimedia Package #3 and a Fence Sign Ad when purchase together for a discounted rate of \$360.00 during the first year of sponsorship. Renewing Winning Goal Sponsors can elect to continue their support as a Winning Goal Sponsor at an even deeper discounted rate of \$260.00 per year.

All sponsors must provide electronic files for their advertisement in either PDF or High Resolution JPG, preferably in both formats for the best quality across all media forms.

Your participation in our "GOAL" opportunities is a great asset to the soccer program, players, their families, Buckhorn High School and those who enjoy following the Bucks & Lady Bucks soccer teams. Funds raised from your support goes directly into our soccer program providing us the ability to make program improvements and provide for field maintenance including: grass seed, fertilizer, filler sand, marking paint, and grooming. It will also help us cover other necessities such as: our utility bill for usage of the field lights, replacement bulbs, referees, and equipment upkeep.

Please indicate your desired level of sponsorship for the GOAL opportunities listed below.
